WORKSHOP

- 1) Prof. Malagurski held a presentation about the international and cross-border projects he had managed in the past. Good practice was shared, and difficulties mentioned.

PROJECT MEETING

Topics discussed:

- 1) The proposal of the agreement between Osijek and Pécs about the student exchange was discussed and the text was given to Osijek for finalization
- 2) The topics of Workshop 2. were agreed upon: Ms. Zita Császár will inform Croatian colleagues about European grant possibilities for law faculties in general and LLP Jean Monnet applications and calls for applications launched by DG Freedom, Security and Justice in more details. The date of Workshop 2 is to be decided later.
- 3) The programme of the upcoming Study Visit 2 was discussed and finalized, tasks were shared. The text of the declaration to be signed by researchers concerning their research papers was introduced, it is to be finalized by Pécs.
- 4) The Partners informed each other about the Progress Report 1 to be submitted in some days. Difficulties were identified. Pécs provided Osijek the sheets as samples for the report.
- 5) As the call for application for the next IPA has already been launched by JTS, the topics and planned activities of the next application (IPA 2) were briefly overviewed. Ongoing activities are to be continued and broadened. A new element (Summer Course) is planned to be involved in the next application. Further details are to be discussed during the Study Visit 2 by the management.
