

International Business Law

Osijek, 25-27 April 2012

J.J Strossmayer University, Faculty of Law, Osijek

Lecturers: Dr. Aksamovic Dubravka, PhD, Dr. Jelinic Zvonimir, PhD,
Dr. Kecskés Andras, PhD

Content of the course

In last few decades, trade and commerce have faced significant internationalization. Process of globalization and Europeanization additionally raised the need for international business law. There is a present and significant effort in creating a body of supranational rules with the main purpose of simplifying international trade. This process of internationalization of the business law can be traced on European and international level. The course will deal with the most recent developments of European and International law as well with its relation to the most common principles of business law in general.
